SLITHERRR...

HALT!

No wonder!

GLARE

!

As we continued further, we encountered a giant snake in the center of the forest, which explained the terrified bear. I hear that nowadays, such mutated creatures appear quite often, due to the influence of bad mana.

FLINCH

GULP

If we ignored it, it could have caused damage to the nearby villages, so I set down Reszurre, took a sip of a strengthening potion, applied vibration magic to my blade, and brought down the snake beast. It did manage to wound me a little, but it was nothing that would affect the trip. We decided to get a move on.

THUD!

Wait here while I take care of this, Reszurre-san...

BASH

SNAP!

SQUISH

BWANG
